We need your help!

For over 35 years we have been playing possum in Litchfield. Many of you may not know what we have been doing, what we are about or, even that we exist. We have a Possum Queen Contest every year on January 1, "New Year's Day." Our event makes a difference, but we have seen an ever-growing need from our communities. This past year alone, we have given over \$100,000 to your community members!

Our mission is clear: *"Possum Queen Foundation provides financial and advisory assistance to people located in Northwest Connecticut who have come upon financial hardship due to medical and other related expenses."* More than 94% of income is distributed to needy recipients, primarily in Litchfield County, Northwest Connecticut, and surrounding areas. The Possum Queen Foundation has a fundraising board and a separate board to evaluate applications and approve disbursements.

As our mission evolves, we have been able to help hundreds of your neighbors in need! *Please consider sponsoring this incredible event.*

The Possum Queen Foundation is a 501c3, nonprofit organization. With your help, imagine the support you can give to YOUR community members in need! See the enclosed donor form. Thank you for reading and thanks in advance for your generous support!

Thank you for helping us heal with Heart and Humor,

Billy Neller
